

Gas Safe Gear

Providing equipment solutions for our customers

New from Gas Safe Gear!

Snoop® Leak Detector Liquid

- A non-aerosol liquid leak detector product
- Supplied in a handy 8oz (236ml) bottle
- Easy to use; supplied with a 'snooper tube' for accurate application
- Locates leaks in connections between gas cylinders, regulators and associated equipment
- Suitable for use in a wide range of applications including industrial, laboratory and research
- Non-toxic, non-corrosive, non-flammable
- Oxygen compatible
- £5.95 + vat per 8oz bottle

Delivery costs are dependant on the number of bottles ordered and the urgency of dispatch.

We are also pleased to announce we will shortly be introducing a full range of gas control equipment including regulators, hoses, torches and flashback arrestors.
